

If you're modifying the design, be sure to take note of the bleed areas that are designated by the various guides. Simply toggle the visibility on every layer except the 'Guides Image' layer to see the 'safe' and 'bleed' areas.

Once your design is complete, save it as a maximum quality jpeg and uploaded to the MOO site when ordering your business cards.

Please Note: This retro Fruit Stripe style template is being provided free under a Creative Commons Attribution-Noncommercial-Share Alike 3.0 License

<http://creativecommons.org/licenses/by-nc-sa/3.0/us/>

Basically what that means is:

- You're free to copy, distribute, and remix template.
- If you do alter, transform, or build upon the template, then please distribute the resulting work under the same or similar Creative Commons license.
- You may not use the template for commercial purposes.
- Lastly, give me some props by attributing the template to 'The Closet Entrepreneur' and provide a link back to the blog post on your blog/site:
